NEW Trash Hauler effective January 1, 2013

The Township bids their trash hauling contract every few years and the most recent bidding resulted in a low bid from Lebanon Farms Disposal Service, Schaefferstown, PA. They will be replacing the current contractor, Penn Waste of York on 1/1/13 under a three year contract.

Residents should notice little change other than the color of the truck. The date of your pick-up will remain the same however please have your trash curbside the night before. Contact for pick-up concerns and billing will continue to be handled by the Township. We thank Penn Waste for their service and wish Lebanon Farms Disposal the best of luck with their new contract. Should you desire to rent a toter (cart), Lebanon Farms Disposal requires that you contact them directly at 1-800-533-5356.

TRASH/RECYCLING ANNUAL RESIDENT CHARGE $190.00

TELEVISION & COMPUTER CURBSIDE PICK UP DISCONTINUED

The Covered Device Recycling (Act 108) of 2010 (CDRA) will go into effect January 1, 2013. This act bans the disposal of a covered device or their components (desktop or laptop computers, monitors or peripherals and TELEVISIONS), with your municipal solid waste. Residents will need to take these covered devices to an electronics collection location for proper recycling.

East Hempfield Residents are fortunate to have an electronics collection site at the Lancaster County Solid Waste Management Authority Household Hazardous Waste Facility, 1299 Harrisburg Pike (397-9968). Their hours of operation are currently listed as Monday - Friday, 6:30am - 4:00pm & Saturdays, 8:00am - 12:00pm. They have a very accommodating drive-thru, drop off facility with friendly staff to assist you when you arrive. This is the same location to drop off paint, varnishes or other household wastes that should not be put into the trash stream.

CREDIT CARD PAYMENTS AVAILABLE

Residents now have an additional method of paying trash/recycling, pavilion rental and permit fees. The Township has partnered with MuniciPay which allows the Township to accept VISA, MasterCard, Discover, American Express or electronic check from your checking account. Access to this feature is available from the Township website (www.easthempfield.org) or over the counter at the Township office. Please be aware that our third party processor, MuniciPay will charge you a nominal fee for this convenience. Please call the Township Office (898-3100) with questions.
To East Hempfield Township Property Owners,

On behalf of the fire companies that serve East Hempfield, I ask that you take a few minutes to consider this message and request. This newsletter is arriving at your home or business during the busy holiday season and I am sure your thoughts are concentrated on the holiday activities that make this time of year special. However I need to bring to your attention the needs of our VOLUNTEER fire companies. I am blessed and very thankful, that I live and work in such a great community such as Hempfield. In my position I interact with the numerous individuals who create the fiber that makes us a community. A major component of that feel of community is the men and women who VOLUNTEER their time to keep us safe and provide support in our time of need.

The Township’s system of providing fire protection and rescue assistance is delivered by men and women who VOLUNTEER their time and expertise. Many of our residents come from communities who have paid, career firefighters and emergency responders; this is not the case in East Hempfield. This VOLUNTEER system can only work when we ALL pull together and contribute, either financially or through volunteer efforts. You might ask; don’t our taxes pay for this service which is typical in larger cities. The answer is not a definite yes or no. Taxes do cover a portion of the cost of fire apparatus and fire stations but not for the other essential equipment, training and operational needs. The fire companies depend on community support to cover the remainder of their budgets.

Herein lies the issue, statistics tell us that only one in four households, and one in ten businesses contribute. The rate of community contributions continues to decline and the Township is very close to using additional tax dollars to support this mandated service to property owners. This trend will result in the creation of a fire tax or an increased tax millage earmarked to support the VOLUNTEER efforts of our fire companies. The ultimate goal of the Township is to forestall creating a paid full-time fire fighting staff. The cost to maintain a professional fire fighting staff will require a significant tax increase.

The Township is very thankful that our fire companies have been able to provide well trained personnel to meet the emergency needs of the Township (firefighting, fire safety education, vehicle accident rescues and storm damage from flooding or high wind damage). However, along with the decline in funding levels manpower is also a dwindling resource. Finding men and women willing to dedicate time out of their schedules for training and fire fighting duties has become a priority for the departments. In addition to funding dollars; new members are also needed, whether a fire fighter or an individual who would be interested in helping with administrative duties such as the fundraising.

The leadership of the three fire departments has asked the Board of Supervisors for help in reaching out to residents and businesses to consider a donation to their local fire department each year. The Township feels that the current funding system (tax dollars and community donations) is the most cost effective method of funding firefighting and emergency services to our residents. Please consider a financial donation to your local fire department or donating your expertise to fire company activities. Below is the contact information to each of the three departments that provide these valuable services to you.

Happy Holidays!
Bob Krimmel, Township Manager

EMERGENCY MANAGEMENT  Updating Request

We are in the process of updating our Emergency Management Plan for EHT. This process is completed every few years and requires some information from you. We need to know if anyone in your household requires any special needs in the event of an emergency. We classify special needs as the following: unable to walk, deaf or blind, has a constant need for oxygen, or any other problems which we may need to be aware of, in the event of an emergency.

If you have a special need, please fill out the form below and send it back to the Township office at the address below. Thank you, Diane Garber, Emergency Management Director

Name: ______________________ Telephone # ___________________ Address ________________________
I have the following needs: I am on oxygen _____ I am unable to walk _____ I am blind _____ I am deaf _____
Other ____________________________________________

Please return the form to: East Hempfield Township - 1700 Nissley Road -
P.O Box 128 - Landisville, PA 17538
ACCEPTABLE ITEMS TO RECYCLE

METAL:
- Aluminum beverage cans
- Steel food and beverage cans & aerosol cans

- Plastic tableware
- Plastic grocery bags
- Light bulbs
- All solvent, oil & chemical containers
- Food soiled material
- Paperboard juice, milk, & ice cream containers
- Wet papers or cardboard
- Plastic food wrappers
- Used paper towels or tissues
- Books

COMMERCIAL, INDUSTRIAL, INSTITUTIONAL RECYCLING

The Pennsylvania Department of Environmental Protection administers the requirements of the Municipal Waste Planning, Recycling, and Waste Reduction Act of 1988 (Act 101), which in turn requires that East Hempfield Township gather and report data on “post-consumer” recyclables that are collected and marketed on an annual basis. Additionally, Commercial, Industrial and Institutional waste generators in the Municipality are required to recycle certain material in accordance with the Township’s Waste and Recycling Ordinance that has been in place since June 5, 1990. In addition to the above mentioned recyclable materials, Township Ordinance also requires recycling of high grade office paper, corrugated cardboard, tires and large appliances.

If you DO rely on a licensed waste hauler to transport your recyclables, your data is already reported. If you DO NOT rely on your waste hauler to transport some or all of your recyclables, please assist us by completing the Commercial/Industrial/Institutional Annual Recycling Report mailed to you each January.

</table>
Matthew Miller & Adam Meeder are the newest officers to join the EHTPD in June/2012. Officer Miller attended Reading Area Community College, graduated from the Reading Police Academy & was employed as a police officer by Mt. Joy Borough prior to coming to EHT.

Officer Meeder graduated from Sherman Central School, earned an Associate degree in Criminal Justice from HACC, & a B.S. degree in Criminal Justice from Penn State University. He served in the US Army National Guard which included a deployment to Afghanistan & currently serves in the US Naval Reserve. Officer Meeder is currently attending the 102nd Municipal Police Academy at HACC. East Hempfield Township extends a warm welcome to both new officers!

The Police Department is currently making preparations to celebrate the milestone of 50 years of service to residents and visitors of East Hempfield Township. On July 1, 1963, the East Hempfield Township Police Department was formed with the hiring of Joseph G. Fliss as a full-time police officer. The first police vehicle was purchased from Garden Spot Motors at a cost of $2,220. On January 6, 1964, the Board of Supervisors named Joseph Fliss as the Department’s first Chief of Police.

The Police Department has since grown to a staff of 33 sworn and 4 non-sworn personnel. They provide protection and services around the clock to the Township. A committee of volunteers has begun meeting in order to plan activities to commemorate this milestone during 2013. The Chairperson of that committee, Lt. Dennis Eberly, relates that the committee has established a mission to “recognize and celebrate our heritage and historical milestones, service and accomplishments of department personnel, and our historical partnership with the community.”

Burglary Prevention

Residential burglaries are on the increase with the majority gaining entry through unlocked doors & windows. Your chances of becoming a victim of burglary increase when you do not secure your doors & windows especially when your home is unoccupied.

Securing your home:
Always lock your doors and windows when you leave.
Lock first floor windows when you are sleeping.
Use a sturdy dead bolt lock.
Install solid doors. Hollow doors are easy to kick in or force.

Lighting and planting:
Keep your porch light on or invest in exterior lighting. Good lighting will help make it harder for a burglar to go unnoticed.
Keep bushes and trees around windows trimmed. Bushes and trees that block windows give a burglar the perfect opportunity to break into your home unnoticed.

When you are away:
Ask a trusted neighbor to take in your mail and papers for you.
Use timers on lights, stereo and TV to give your house the appearance of activity.
Have the grass mowed or the snow shoveled.
Leave contact information with neighbors.

Easy Changes:
Lock doors and windows before you leave and when you are asleep.
Keep expensive property away from windows and doors.
Change your answering machine message. Never say that you “are not home right now”.
Get to know your neighbors. Good neighbors will notice suspicious activity and will call the police.

We have all experienced the unexpected knock at the door and when you answer a stranger is seeking your input on a survey or interest in the item they have for sale. We know these cold calls are unsettling to some residents and a simple “no thank you” should be all that is necessary for them to move on their way. The majority of the time these are just honest people doing their job.

The Township does not have a solicitation permit requirement. When dealing with strangers it is important to be cautious. If you do consider engaging the person doing the solicitation we suggest you handle your transaction outside your home, ask for contact information, references, business cards. If you feel unsafe in the approach used to make contact, feel free to contact the police. Many times companies soliciting in the neighborhoods will make the police aware of their activities.
Trick or Treat is ALWAYS held on October 31st from 6:00 to 8:00 pm UNLESS it falls on a Saturday or Sunday, in which case it would be held on the Friday prior.

Curbside Leaf Pick Up & Drop Off
The route begins on Monday, October 14th. Rake leaves to the curb line or grass edge. Route updates will be posted daily on our website. The program ends in mid December. Leaves dropped off at the Township must be in plastic bags & dumped in the designated area.

AMOS HERR HOUSE FOUNDATION
This Heritage Tourism Site is a 19th century Pennsylvania German farmstead located at 1756 Nissley Road in Amos Herr Park, Landisville.
Open to the public for tours on weekends April through October between 1:00 & 4:00 pm., the purpose of the Amos Herr House Foundation is to maintain & preserve the history & traditions of the greater Hempfield area so that future generations might benefit & find enjoyment in this knowledge.
Amos Herr House Foundation “tax deductible” contributions, including memberships may be sent to: PO Box 52, Landisville, PA 17538.
For details please visit www.herrhomestead.net or call 898-8573.

Websites Worthy of a Visit
Were you ever curious about: your assessment record, where to register to vote, elderly housing options, your genealogy, common firearms questions, how to apply for a marriage license, civil court records, deed information, sheriff’s sales…all these and more are available on the County website, www.co.lancaster.pa.us. From the County website you can also find a link to the Township site (or directly at www.easthempfield.org). The Township site provides building permit forms, access to the zoning ordinance, meeting minutes, leaf pick-up schedule, calendar of events and local links to the water and sewer authorities. Both sites are worthy of a visit and a listing in your favorites. Please let us know if there is something you would like to see added to the Township site.

Street Light Out?
Traffic Signal Malfunctioning?
Contact the Township Office
PP&L is responsible for replacing street lights. Please be patient. They make every effort to replace them in a timely manner.

When a ban on open burning is issued by either Lancaster County or the Township, it means that ALL outdoor fires are prohibited — including those in screen-covered burn barrels — with the only exception being those fires intended specifically for cooking.

When a ban on open burning is issued by either Lancaster County or the Township, it means that ALL outdoor fires are prohibited — including those in screen-covered burn barrels — with the only exception being those fires intended specifically for cooking.

East Hempfield Township oversees the ADOPT - A - ROAD program which recruits volunteers to remove litter & debris from the roadsides.

While saving taxpayer dollars, the program also provides recognition for participating groups & organizations, promotes civic responsibility & pride, & makes the public aware of the problem to help keep East Hempfield Township Clean & Green!

We welcome organizations such as civic, social, school groups, businesses to sign up for the program. Two permanent “Adopt-A-Road” signs will be installed identifying your group.

Contact the Township Municipal Office for more information at 898-3100.

Improper placement of trees & shrubbery can become a danger for motorists exiting an intersection or driveway. Please plan accordingly when planting new plantings. They should be placed so that they will not grow into the street or into overhead wires. Without prior notice, the Township & other utility company’s will trim trees & shrubs that grow into & over the roadway.

If you prefer to have your professional tree trimmer maintain your trees & shrubbery, please keep them at approximately 14’ high & a minimum of 3’ behind the curb or white line.

**EHTownship TIPS**

**Holiday Trash Delays for 2013**
- January 1st (New Year’s Day)
- May 27th (Memorial Day)
- July 4th (Independence Day)
- September 2nd (Labor Day)
- November 28th (Thanksgiving Day)
- December 25th (Christmas Day)

*ALL other holidays on a normal schedule.*

Plow or shovel your snow to the side of your driveway, away from the flow of traffic. Clearing snow for a distance prior to your driveway allows the plow to “unload” before reaching it. By piling snow away from the direction of oncoming snowplows, the bulk of the snow will not be pushed back onto your driveway.

**PROPERTY DIMENSIONS . . .**

can be found on your deed or on plans that may have been given to you by your realtor. If you do not have them, Contact the Lancaster County Recorder of Deeds [website] or call 299-8238 for a copy. If you cannot locate your property markers or pins, we suggest contacting a surveyor. TIP: Try locating them with a metal detector.

**Snow plowing & mailboxes**

Please inspect the condition of your mailbox. The plowed snow may knock over a mailbox that is unstable. The Township will not replace a mailbox that is not physically damaged by its trucks.

**Large Appliance & Tire (rim removed) pick up is scheduled for the weeks of April 8th & November 4th.**
A $10.00 green tag must be purchased at the Township Office for items such as a dehumidifier, freezer, riding mower, air conditioner, piano, & more. View our website for a complete listing. Tires require a $2.00 purple tag.

**Prescription drugs** must be disposed of by mixing the drugs with an undesirable substance like coffee grounds or kitty litter. Place the mixture in a sealable bag & dispose of in your trash.

**GARDEN PLOTS at the EHT Administration Building grounds are on a first come first serve basis. Registration will be held on Monday, February 4th, 2013 at 8:00 a.m. Each plot is approximately 20’ x 40’. Watering facilities are available. The cost is $20.00 per plot. No telephone reservations will be accepted.**

**CHRISTMAS TREE RECYCLING**

Trees collected curbside free of bags, ornaments, garland, etc. will be during the week of January 14 - 18 on your normal trash day. Curbside pick up after this week will require a $4.00 red tag or you may drop it off at the Township Building until Friday, January 18th.

**AMOS HERR PARK PAVILION RENTAL**

Consider hosting your event under the pavilion at the 56 acre Amos Herr Park. Sand volleyball court, basketball courts, baseball fields, soccer fields, bocce court, tennis courts, & “dream park” play area are available. There are twelve picnic tables and two charcoal grills included in the rental fee. Contact the EHT Office for more information.

**Flattened Corrugated Cardboard** may be placed curbside on your normal trash day. There is also a dumpster to the rear of the Township Building.

**MIND YOUR MANNERS**

If you leave your property with your dog . . . please be considerate of others & clean up after.

**The PA Dog Law** requires dogs be confined within the premises of the owner, firmly secured by means of a collar & leash or other device & under the reasonable control of an individual.
Four Seasons Golf Course, 949 Church Street, Landisville, continues their golden anniversary celebration with new programs and expanded tournament schedule.

Tournaments planned for 2013 include the following:

- Polar Bear Open - January
- Groundhog Tournament -- February
- St. Patrick's Day Tournament -- March
- Cottontail Classic – April
- Flag Tournaments - Memorial Day, July 4, & Labor Day
- Big 2 Man Scramble - July & September
- Rally For The Cure – October
- Greenskeeper’s Revenge & Turkey Shoot - November

- The Senior League plays Wednesdays beginning in April and runs through September.

- The Junior Program held each summer includes a 1 hour clinic, followed by either 9 or 18 hole play depending on the individual player’s ability.

More information and event posting available at [www.4seasonsgolfcourse.com](http://www.4seasonsgolfcourse.com) or call Craig Hall at the pro shop at 898-0104.

The Banquet Facilities at Four Seasons are ideal for any occasion, including wedding receptions, birthday parties, anniversary parties, school events, sports banquets, fund raisers, golf outings, & corporate meetings. The picturesque Window Room offers a view of the 18 hole golf course & will seat up to 120 people. The Larger Banquet Room can accommodate 250 to 300 people. Four Seasons no longer works with just one caterer. They’ve expanded their list to include several renown caterers in the area. More information can be found on the banquet website [www.4seasonsbanquets.com](http://www.4seasonsbanquets.com).

For reservations, prices, or to set up an appointment to see the facilities, please contact Terri L. Morton, Food & Beverage Manager at 898-0536.
Important things to know about Water!

Hurricanes Irene & Lee were last year, Sandy this year. These storms serve as reminders of the power and importance of water. Water is a vital resource and is something that we all use every day. We drink it, wash with it, play in it, fish in it, and irrigate our lawns and fields with it. And as such, planning for this resource is a key goal for the Township.

East Hempfield Township is involved in several different projects to look at water:

- Hempfield Water Authority is developing a Source Water Protection Plan to look at ways to protect our groundwater.

- Township staff together with our Township engineer are looking at updates to our stormwater ordinance based on the new plan developed by the County, Blueprints, An Integrated Water Resource Plan. The Township Stormwater Ordinance regulates activities that impact water runoff such as new construction or additions.

- MS4 is a term you will be hearing more and more. MS4 stands for Municipal Separate Storm Sewer System. This program is part of the Federal Clean Water Act of 1972. Municipalities are being required to take a more active role in inspecting and maintaining the stormwater system.

- TMDL – This stands for Total Maximum Daily Load. All streams and waterways from small creeks to the Chesapeake Bay are being monitored for pollution.

So as you can see, water – whether it is in the ground, flowing in our streams, or running across the surface after a rain, is an important resource and an important issue to the Township. Residents are encouraged to get involved in these issues. People tend to only get involved when the issue is impacting them either due to flooding or costing them money. Well, now is the time to get involved to help the Township plan for this resource. Ways to get involved include:

- Maintain any stormwater facilities that are on your property.
- Keep leaves and sticks out of storm inlets before and during rain events.
- Don’t dump grass or leaves in swales or streams.
- Don’t dump chemicals down your drain or in your yard.
- Use pesticides, herbicides, and fertilizers carefully and only when needed.
- Get involved with a local organization that help to take care of our streams and waterways such as the Little Conestoga Watershed Association, Lancaster County Clean Water Consortium, Ducks Unlimited, or Trout Unlimited.

Help to avoid your street / road from flooding during heavy rains & storms by clearing nearby storm drains of leaves & debris.

Several swimming pool maintenance complaints were reported this past summer. Pool upkeep is essential …. please clean, cover, or drain your in/above ground pool.

Tune in to WGAL or view their website www.wgal.com for updates on trash collection delays or cancellations due to inclement weather.
